applied mergers
acquisitions robert bruner
pdf - Different tribes of
Native Americans lived in
the area that is now
California for an estimated
13,000 to 15,000 years.
Over 100 tribes and bands
inhabited the area. Various
estimates of the Native
American population in
California during the
pre-European period range
from 100,000 to 300,000.
